

Two Shelf Transit Trolley

Product Code: BMP004-S2

Transport items around your warehouse with ease

Bremco's transit 2 shelf trolley can be fitted with a rubber mat decking, safety lip surround frame or a clipboard attachment as optional extras.

The trolleys come with two fixed castors, a swivel castor and a swivel-brake castor to assist with easy manoeuvre around the workplace.

We can also custom build for your specific requirements. Contact us to hear more about how we can work with you to develop the ideal custom steel fabrication solution for your warehouse.

Specifications

- WLL: 400kg static or 320kg mobile
- Wheels: 125mm diameter blue rubber castors
- Distance between shelves: 690mm
- Finish: powder coated blue

NB: Unit comes standard with brake castor for safety
