

Crane & Forklift Tipper Bin – JS Style

Product Code: BMP015-JS

Made in our Australian Factory

The Bremco Crane & Forklift Tipper Bin – JS Style allows you both lift and tip thanks to the overhead crane lifting. This feature allows for positioning of the bin in awkward locations.

This Crane & Forklift Tipper Bin has a double locking device, is powder coated and comes with compliance plate and serial number attached.

We can also custom fabricate a forklift tipper bin for your specific requirements. Read more about how we can work with you to develop the ideal custom steel fabrication solution for your warehouse.

Keep your workplace safe and operating effectively with Bremco forklift attachments.
