

Forklift Tipper Bin – OS Style

Product Code: BMP015-OS

Made in our Australian Factory

Bremco's Forklift Tipper Bin OS style is perfect for heavy, dense items such as steel scrap and gravel are easily released with this slip on tippler bin attachment.

The lever is positioned at the back of the bin, so the operator can easily unload into larger skips. This unit is considered extra strong.

We can also custom fabricate a forklift tipper bin for your specific requirements. Read more about how we can work with you to develop the ideal custom steel fabrication solution for your warehouse.

Keep your workplace safe and operating effectively with Bremco forklift attachments.
