

Twin Gas Cylinder Trolley (Crane and Fork Lift)

Product Code: BMP029-B

Transport gas cylinders with your crane and forklift.

Bremco's Budget Gas Cylinder Trolley – Twin (Crane / Forklift) is designed to be pushed, crane-lifted or fork-lifted around the work site. Ideal for use on construction sites where traditional trolleys may be difficult to manoeuvre around the site.

Suitable to carry either twin Oxy Acetylene G size cylinder or a combination of 1 x Oxy Acetylene G size and 1 x 45kg LPG cylinders.

The Gas Cylinder Trolley has forklift channel guides under the base to offer a positive and safe way to lift product.

The overhead lifting frame is tested and certified to AS4991 and each trolley is tagged and tested, then supplied with a rating plate to meet the standard.

Keep your workplace safe and operating effectively with Bremco crane and forklift attachments.
