

Scrap Bin Hopper

Product Code: BMP047

Made in our Australian Factory.

Store and dump your scrap metal or timber waste on site with the Bremco Scrap Hopper Bin. The tapered floor of the unit ensures product is dispersed efficiently into larger bins. This unit can also be fitted with heavy duty castor wheels to allow manual movement as an additional extra.

We can also custom fabricate a forklift scrap bin hopper for your specific requirements. Read more about how we can work with you to develop the ideal custom steel fabrication solution for your warehouse.

Keep your workplace safe and operating effectively with Bremco forklift attachments.

Specifications
