

Forklift Spreader with Headboard

Product Code: BMP054

Use your forklift to carry wide loads.

The Bremco Forklift Spreader Beam (with headboard) carries wide loads without damaging the product. This unit features a rear headboard welded into the frame.

We can also custom fabricate a forklift safety cage for your specific requirements. Read more about how we can work with you to develop the ideal custom steel fabrication solution for your warehouse.

Keep your workplace safe and operating effectively with Bremco forklift attachments.
