

Charity Donation Bin

Product Code: BMP065

Safely receive and store donations.

Help protect your valuable donations and charity bins with Bremco's tough weatherproof and theft-resistant charity donation bin.

Bremco's donation bin is suitable for all donation types and can be supplied to charities across Australia.

Bremco can custom manufacture your donation bin, including providing additional security and heavy duty doors.

Our donation bins are also powder coated in your colour of choice.

Rear or Front Door options are available.

The donation bin comes with two latch points to minimise theft and damage.
