

## Forklift Bulk Bag Lifter (Raised)

Product Code: BMP069-B

### Use your forklift to transport bulk bags safely.

Bremco's raised bulk bag lifter allows easy unloading of shipping containers with bulk bags stacked two high.

Manufactured in our Australian warehouse, the BMP069-B is provided fully tested and tagged in accordance with the Australian standards for Forklifts (AS2359.1). We also have the capabilities to customize a forklift bulk bag lifter to cater your specific requirements.

Keep your workplace safe and operating effectively with Bremco forklift attachments.
