

## Forklift Single Wheelie Bin Tipper

Product Code: BMP079-1B

### Empty your wheelie bins with ease.

Bremco's Forklift Wheelie Bin Tipper units come in three versions – a single, double or bulki bin model. The bin is positioned in the tipper using a ratchet assembly and a steel locator plate for safe operation. The latch mechanism allows control from the driver's seat.

We can also custom fabricate a forklift wheelie bin tipper for your specific requirements. Read more about how we can work with you to develop the ideal custom steel fabrication solution for your warehouse.

Keep your workplace safe and operating effectively with Bremco forklift attachments.
