

Forklift Economy Jib (Heavy Duty)

Product Code: BMP090

Use your forklift to reach new heights.

Use your heavy duty fork lift as a crane with this Heavy Duty Economy Jib for large jobs and dedicated logistical operations.

Bremco's BMP090 Heavy Duty Economy Jib is designed with a working load limit of 5000kg at 860mm and is a resilient heavyweight alternative to the BMP016.

Bremco's Heavy Duty Economy Jib is a fully certified long-lasting lifting device and comes standard with compliance plate attached.

We can also custom fabricate a forklift heavy duty economy jib for your specific requirements. Read more about how we can work with you to develop the ideal custom steel fabrication solution for your warehouse.

Keep your workplace safe and operating effectively with Bremco forklift attachments.
