

Single Gas Cylinder Trolley (Crane Lift)

Product Code: BMP112

Made in our Australian Factory.

The Gas Cylinder Trolley Crane Lift is designed to hold a single cylinder and is ideal for chlorine or LPG cylinders. Use this trolley to push, lift, store and manoeuvre on site.

We can also custom fabricate a single gas cylinder crane lift trolley for your specific requirements. Read more about how we can work with you to develop the ideal custom steel fabrication solution for your warehouse.

Keep your workplace safe and operating effectively with Bremco's gas bottle trolleys and crane lift attachments.
